Please return your voting instructions as specified in the request for voting instructions. (For further information relating to non-registered owners, see the discussion below under “INFORMATION FOR NON-REGISTERED (BENEFICIAL) OWNERS OF SHARES”.)

Due to the COVID19 Pandemic and given the restrictions on public gatherings and in the best interest of the health of all participants in the Company’s Meeting, the Company respectfully asks that all shareholders do not attend the Meeting in person. The Company requests that shareholders who wish to participate by listening to the Meeting, contact the Company by May 19, 2021 at fred@impactsilver.com or jerry@impactsilver.com to be included in the teleconference for the Meeting. The Company will arrange for teleconference participation for all shareholders who have requested it by May 19, 2021. APPOINTMENT AND REVOCATION OF PROXIES

The individuals named in the accompanying form of proxy are directors and/or officers of the Company. A SHAREHOLDER WISHING TO APPOINT SOME OTHER PERSON (WHO NEED NOT BE A SHAREHOLDER) TO REPRESENT HIM OR HER AT THE MEETING HAS THE RIGHT TO DO SO, EITHER BY INSERTING SUCH PERSON’S NAME IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY AND STRIKING OUT THE TWO PRINTED NAMES OR BY COMPLETING ANOTHER

FORM OF PROXY. To be valid, a proxy must be in writing and executed by the shareholder or its attorney authorized in writing, unless the shareholder chooses to complete the proxy on the internet as described in the enclosed form of proxy. Completed proxies must be received by Computershare Investor Services – Proxy Department, 8th Floor, 100 University Avenue, Toronto, Ontario M5J 2Y1, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting or any adjournment thereof, or at the discretion of the Chair of the Meeting, delivered to the Chair of the Meeting prior to the commencement of the Meeting or an adjourned meeting.

A shareholder who has given a proxy may revoke it by an instrument in writing executed by the shareholder or by his or her attorney authorized in writing or, where the shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and to the Company's registrar and transfer agent or to the Company's head office at any time up to and including the last business day before the scheduled time of the Meeting or any adjournment, or to the Chair of the Meeting on the day of the Meeting or any adjournment. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

INFORMATION FOR NON-REGISTERED (BENEFICIAL) OWNERS OF SHARES

The shares owned by many shareholders of the Company are not registered on the records of the Company in the beneficial shareholders' own names. Rather, such shares are registered in the name of a securities dealer, bank or other intermediary, or in the name of a clearing agency (referred to in this Information Circular as an "**intermediary**" or "**intermediaries**"). Shareholders who do not hold their shares in their own names (referred to in this Information Circular as "**non-registered owners**") should note that only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. A non-registered owner cannot be recognized at the Meeting for the purpose of voting his shares unless such holder is appointed by the applicable intermediary as a proxyholder.

Non-registered owners who have not objected to their intermediary disclosing certain ownership information about themselves to the Company are referred to as "**NOBOs**". Those non-registered owners who have objected to their intermediary disclosing ownership information about themselves to the Company are referred to as "**OBOs**".

In accordance with applicable securities regulatory policy, the Company has elected to seek voting instructions directly from NOBOs. The intermediaries (or their service companies) are responsible for forwarding this Information Circular and other Meeting Materials to each OBO, unless the OBO has waived the right to receive them. **The Company does not intend to pay for intermediaries to forward to OBOs under National Instrument 54-101 the proxy-related materials and Form 54-101F7 – Request for Voting Instructions Made by Intermediary, and an OBO will not receive those materials unless the OBO's intermediary assumes the cost of delivery.**

Meeting Materials sent to non-registered owners who have not waived the right to receive Meeting Materials are accompanied by a request for voting instructions (a "**VIF**"). This form is provided instead of a proxy. By returning the VIF in accordance with the instructions noted on it, a non-registered owner is able to instruct the registered shareholder how to vote on behalf of the non-registered owner. VIFs, whether provided by the Company or by an intermediary, should be completed and returned in accordance with the specific instructions noted on the VIF.

In either case, the purpose of this procedure is to permit non-registered owners to direct the voting of the shares which they beneficially own. If a non-registered owner who receives a VIF wishes to attend the Meeting or have someone else attend on his behalf, then the non-registered owner may request a legal proxy as set forth in the VIF, which will grant the non-registered owner or his nominee the right to attend and vote at the Meeting. **Should a non-registered holder who receives a VIF wish to attend the Meeting or have someone else attend on his/her behalf, the non-registered holder may request (in writing) to the Company or its intermediary, as applicable, without expense to the non-registered holder, that the non-registered holder or his/her nominee be appointed as proxyholder and have the right to attend and vote at the Meeting.**

<p><i>IF YOU ARE A NON-REGISTERED OWNER AND WISH TO VOTE IN PERSON AT THE MEETING, PLEASE REFER TO THE INSTRUCTIONS SET OUT ON THE "REQUEST FOR VOTING INSTRUCTIONS" (VIF) THAT ACCOMPANIES THIS INFORMATION CIRCULAR.</i></p>

EXERCISE OF DISCRETION

Shares represented by proxy are entitled to be voted on a show of hands or any poll and, where a choice with respect to any matter to be acted upon has been specified in the form of proxy, the shares will be voted or withheld from voting in accordance with the specification so made.

SUCH SHARES WILL BE VOTED FOR EACH MATTER FOR WHICH NO CHOICE HAS BEEN SPECIFIED BY THE SHAREHOLDER

The enclosed form of proxy when properly completed and delivered and not revoked confers discretionary authority upon the person appointed proxy thereunder to vote with respect to amendments or variations of matters identified in the Notice of Meeting, and with respect to other matters which may properly come before the Meeting. In the event that amendments or variations to matters identified in the Notice of Meeting are properly brought before the Meeting or any further or other business is properly brought before the Meeting, it is the intention of the persons designated in the enclosed form of proxy to vote in accordance with their best judgment on such matters or business. At the time of the printing of this Information Circular, the management of the Company knows of no such amendment, variation or other matter which may be presented to the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

As at the date hereof, the Company has issued and outstanding 143,812,519 fully paid and non-assessable common shares, each share carrying the right to one vote. **THE COMPANY HAS NO OTHER CLASSES OF VOTING SECURITIES.**

Any shareholder of record at the close of business on April 16, 2021 who either personally attends the Meeting or who has completed and delivered a form of proxy in the manner and subject to the provisions described above shall be entitled to vote or to have his shares voted at the Meeting.

To the knowledge of the directors and executive officers of the Company, there are no persons or companies who beneficially own, or control or directs, directly or indirectly, shares carrying 10% or more of the voting rights attached to all outstanding shares of the Company.

EXECUTIVE COMPENSATION

During the Company’s most recently completed financial year, the Company had three Named Executive Officers (as defined below): Frederick W. Davidson, the Company’s CEO and President, George A. Gorzynski, the Company’s Vice President Exploration, and Jerry Huang, the Company’s CFO.

Compensation Discussion and Analysis

Compensation, Philosophy and Objectives

Remuneration plays an important role in attracting, motivating, rewarding and retaining knowledgeable and skilled individuals to the Company’s management team. The Company does not have a formal compensation program. The Compensation Committee meets to discuss and determine management compensation, without reference to formal objectives, criteria or analysis.

The Compensation Committee seeks to ensure that total compensation paid to all Named Executive Officers is fair and reasonable. In setting salaries, the Compensation Committee does not rely upon benchmarking, mathematical formulas or hierarchy. The Compensation Committee considers each officer’s qualifications, experience and responsibilities within the Company. The Committee also looks at the positioning of each executive on an individual basis and the competitiveness and suitability of the mix of that senior officer’s package for his individual circumstances. The Compensation Committee periodically reassesses salaries, considering such factors as an officer’s increased level of experience, whether or not the officer’s responsibilities have increased over the past year and the overall success of the Company for the prior year.

Analysis of Elements

Each Named Executive Officer is compensated as set out herein with the expectation that they will perform their responsibilities to their best ability and in the best interest of the Company.

The Company entered into an executive employment agreement with Mr. Davidson on September 1, 2009 (the “**Davidson Agreement**”).

For the financial year ending December 31, 2020, the Company paid Mr. Davidson a salary of \$216,667, and a bonus of \$50,000 for his services as CEO and President. Mr. Davidson also earned an amount of \$13,200 for his services as a Director, of which the total amount of \$6,600 was accrued and not paid as at December 31, 2020. (See “Termination and Change of Control Benefits” for more information about Mr. Davidson’s Agreement.)

For the financial year ending December 31, 2020, Mr. Gorzynski earned a consulting fee of \$57,080 for his services as Vice President Exploration, of which \$1,600 was accrued and not paid as at December 31, 2020. Mr. Gorzynski also earned an amount of \$13,200 for his services as a Director, of which the total amount of \$6,600 was accrued and not paid as at December 31, 2020.

For the financial year ending December 31, 2020, the Company paid Mr. Huang, directly and indirectly to a company owned by Mr. Huang, an aggregate of \$218,200 for his services as CFO.

The compensation described above was determined by the Compensation Committee of the Company.

The Company considers the granting of incentive stock options to be a significant component of executive compensation as it allows the Company to reward each Named Executive Officer’s efforts to increase value for shareholders without requiring the Company to use cash from its treasury. Stock options are generally awarded to directors, officers, consultants and employees at the commencement of employment and periodically thereafter. The terms and conditions of the Company’s stock option grants, including vesting provisions and exercise prices, are governed by the terms of the Company’s 10% Fixed Stock Option Plan dated for reference December 21, 2020 (the “**Stock Option Plan**”), as approved by the directors and the TSX Venture Exchange and as determined by the Board at the time of the grant. The purpose of granting options is to assist the Company in compensating, attracting, retaining and motivating the Named Executive Officers and Directors of the Company and to closely align the personal interests of such persons to that of the shareholders.

Option-based Awards

The Company has no long-term incentive plans other than its Stock Option Plan. The Company’s directors, officers, consultants and employees are entitled to participate in the Stock Option Plan. The Stock Option Plan is designed to encourage share ownership and entrepreneurship on the part of the senior management and other employees. The Board believes that the Stock Option Plan aligns the interests of the Named Executive Officers and the Board with shareholders by linking a component of executive compensation to the longer-term performance of the Company’s common shares.

Options are granted by the Board of Directors. In monitoring or adjusting the option allotments, the Board takes into accounts its own observations on individual performance (where possible) and its assessment of individual contribution to shareholder value, previous option grants and the objectives set for the Named Executive Officers and the Board. The scale of options is generally commensurate to the appropriate level of base compensation for each level of responsibility.

In addition to determining the number of options to be granted pursuant to the methodology outlined above, the Board also makes the following determinations:

- (a) parties who are entitled to participate in the Stock Option Plan;

- (b) the exercise price for each stock option granted, subject to the provision that the exercise price cannot be lower than prescribed discount permitted by the TSX Venture Exchange (the "TSXV") from the market price on the date of grant;
- (c) the date on which each option is granted;
- (d) the vesting period, if any, for each stock option;
- (e) the other material terms and conditions of each stock option grant; and
- (f) any re-pricing or amendment to a stock option grant.

The Board makes these determinations subject to and in accordance with the provisions of the Stock Option Plan. The Board reviews and approves grants of options generally on an annual basis and periodically during a financial year.

Pursuant to the Stock Option Plan, the Board grants options to directors, executive officers, employees and consultants as incentives.

The Compensation Committee recommends option grants to the Board. The Company granted no stock options exercisable to purchase shares of the Company to Named Executive Officers during the financial year ended December 31, 2020.

CORPORATE GOVERNANCE

National Policy 58-201 - *Corporate Governance Guidelines*, establishes corporate governance guidelines which apply to all public companies. The Company has reviewed its own corporate governance practices in light of these guidelines and, as prescribed by National Instrument 58-101 - *Disclosure of Corporate Governance Practices*, the Company discloses the following:

Board of Directors

The Company's Board of Directors facilitates its independent supervision over management through regular meetings of the Board, both with and without members of the Company's management (including members of management who are also directors) being in attendance.

Independence of Members of Board

The Company's Board consists of six directors, four of whom are independent based upon the tests for independence set forth in NI 52-110. Victor A. Tanaka, Richard J. Mazur, Peter N. Tredger, and Robert W. Lishman are independent. Frederick W. Davidson is not independent as he is the President and CEO of the Company. George A. Gorzynski is not independent as he is the Vice President Exploration of the Company.

The mandate of the Board, as prescribed by the Act, is to manage or supervise management of the Company's business and affairs and to act with a view to the best interests of the Company. In doing so, the Board oversees the management of the Company's affairs directly and through its committees.

Management Supervision by Board

The Board has determined that the current constitution of the Board is appropriate for the Company's current stage of development. Independent supervision of management is accomplished through choosing management who demonstrate a high level of integrity and ability and having strong independent Board members. The independent directors are, however, able to meet at any time without any members of management, including the non-independent directors, being present. Further supervision is performed through the Audit Committee which is composed of a majority of independent directors who meet with the Company's auditors without management being in attendance. The independent directors exercise their responsibilities for independent oversight of management through their majority control of the Board. The Board may appoint a lead director to direct Board operations.

While the Company does not have formal orientation and training programs, new Board members are provided with:

- (g) information respecting the functioning of the Board, committees and copies of the Company's corporate governance policies;
- (h) access to recent, publicly filed documents of the Company, technical reports and the Company's internal financial information;
- (i) access to management and technical experts and consultants; and,
- (j) a summary of significant corporate and securities responsibilities.

Board members are encouraged to communicate with management, auditors and technical consultants; to keep themselves current with industry trends and developments and changes in legislation with management's assistance; and to attend related industry seminars and visit the Company's operations. Ethical Business Conduct

The Board of Directors has adopted a written Business Conduct Policy. A copy of the Business Conduct Policy is available on SEDAR at www.sedar.com (filed April 28, 2017) or on request as indicated under "Additional Information" in this Information Circular.

The Board views good corporate governance as an integral component to the Company's success and to meet responsibilities to shareholders.

The Board has adopted a series of policies in addition to the Business Conduct Policy (together, the "**Policies**"), concerning conduct of its employees and directors that are posted on its website at www.impactsilver.com, under Policies of the Board. The Board has instructed its management and

employees to abide by these Policies and to bring any breaches of these Policies to the attention of the Board. The Board conducts a continual review and updating of its Policies.

The Board requires that directors and executive officers who have an interest in a transaction or agreement with the Company promptly disclose that interest at any meeting of the Board at which the transaction or agreement will be discussed and abstain from discussions and voting in respect to same if the interest is material or if required to do so by applicable corporate or securities law.

Nomination of Directors

The Board has responsibility for identifying potential Board candidates. The Board assesses potential Board candidates to fill perceived needs on the Board for required skills, expertise, independence and other factors. Members of the Board and representatives of the mining and financial services industries are consulted for possible candidates.

Compensation of Directors and the CEO

The members of the Compensation Committee are Victor A. Tanaka, Peter N. Tredger, and Richard J. Mazur, all of whom are independent. The Compensation Committee is responsible for determining compensation for the directors and senior management.

To determine compensation payable, the Compensation Committee reviews compensation paid to directors and CEOs of companies of similar size and stage of development in the mineral exploration industry and determines an appropriate compensation reflecting the need to provide incentive and compensation for the time and effort expended by the directors and senior management while taking into account the financial and other resources of the Company. In setting the compensation, the Compensation Committee annually reviews the performance of the CEO in light of the Company's objectives and considers other factors that may have impacted the success of the Company in achieving its objectives.

The Board has not yet adopted a written charter for the Compensation Committee.

Other Board Committees

As the directors are actively involved in the operations of the Company and the size of the Company's operations does not warrant a larger board of directors, the Board has determined that additional committees are not necessary at this stage of the Company's development.

Assessments

The Board does not consider that formal assessments would be useful at this stage of the Company's development. The Board conducts informal annual assessments of the Board's effectiveness, the individual directors and each of its committees. To assist in its review, the Board conducts informal surveys of its directors and receives reports from each committee respecting its own effectiveness.
